- **Broström sells 50 % of the tanker BRO ANTON**
- **The sale gives Broström a capital gain of SEK 3.6 million and a positive cash flow of SEK 40.7 million**

Broström has sold 50 % of the product tanker BRO ANTON to a Swedish financial investor. The sale gives Broström a capital gain of SEK 3.6 million and a positive cash flow of SEK 40.7 million.

The vessel is a product and chemical tanker of 16,750 dwt with iceclass 1-A and was delivered in 1999 from the Spanish shipyard Factorias Vulcano SA in Vigo.

The sale does not change the commercial or technical management of the vessel which will remain with Broström, who will after this own the remaining 50 % of the vessel.
