

PRESS RELEASE 2009-09-16

# Snow 09/10 products now at [www.pocsports.com](http://www.pocsports.com)

Among our new products are the award winning body armor VPD line, a new generation of goggles, Tanner Hall and Jon Olsson Pro model helmets and much much more.

We keep our fingers crossed for loads of snow and that you will like what you see!

POC team

POC is a Swedish company that develops and markets personal protective gear for gravity sports athletes.
