

Multicert, INCM and PrimeKey Solutions, together with our sponsors Gemalto, SUN, Bit4ID, Utimaco, akm Software, Mühlbauer, Safenet, AppGate, Contiforme and PWPW, cordially invite you to join us for this two-day conference filled with sessions of informative presentations as well as round table and panel discussions focused on National eID card (day 1) and ePassport solutions (day 2).

The conference, supplemented by interactive mingle and networking activities, will gather together a panel of top-level government representatives and key players in the ePassport and eID industry.

Attendees will get insight into the drivers behind the digitalization of citizen ID documents, the usage beyond its initial purpose, the status of deployments all over the World and the evolution of these documents.

Round tables and panel discussions will be the perfect backdrop for highly participative discussions and analysis of the most crucial issues.

We would be honoured to have you as our guest at this prestigious conference.
