

PRESS RELEASE, September 22, 2009

New date for Gunnebo CMD

The Gunnebo Security Group's next Capital Market Day will be held in central Stockholm on Thursday February 11, 2010, starting 08.30.

The reason for the changed date – Gunnebo has previously communicated its CMD to be held October 29, 2009 – is that Gunnebo's management team will do a strategic review of the Group's operations during the autumn 2009. Gunnebo will therefore be able to share the results of this review in more detail in February 2010 than in October 2009.

The Group will also publish its year-end release for 2009 on the same day, February 11.

More information on the agenda etc. will be published together with a formal invitation in the end of December.
