

G & L Beijer AB is a technology-oriented Group, operating in industrial trading, with sales in excess of SEK 3 billion in 2008. The Group includes the two business areas - Beijer Ref and Beijer Tech. Beijer Ref, which reported sales in excess of SEK 2.7 billion in 2008, markets and sells refrigeration products and systems in 22 countries. Beijer Tech, which reported sales of more than SEK 640M in 2008, carries out technology trading, mainly in Sweden, Norway and Finland, through a group of specialised companies. An important part of the strategy of both business areas is to grow through acquisitions. During the past five-year period, the Group has reported profitable annual growth of 19 per cent on average.
