*Global Health Partner operates specialist clinics that focus on selected treatment areas (Spine, Dental, Bariatrics and Orthopaedics) using a business model unique in the Swedish healthcare sector in which leading physicians become partners and shareholders. Operating clinics with a high patient volume in a particular treatment area leads to a higher level of efficiency and quality. This concept of "Quality through Specialisation" is the foundation for the clinics and Global Health Partner's operations. Global Health Partner's shares are traded on the Small Cap list at NASDAQ OMX Stockholm under the abbreviation "GHP."*
