

Finnish governmental organisation signs SafeMove license order

(Oslo, March 25, 2010) Birdstep Technology is awarded a SafeMove license order from a major Finnish governmental organisation.

Birdstep Technology, a leading provider of wireless connectivity and security software, today announced a SafeMove contract with a Finnish governmental organisation. The license order value is 1,4 MNOK and covers SafeMove VPN gateway software licenses. The contract revenue will be recognized in Q1 2010.

SafeMove Mobile VPN enables secure remote access and ensures that users have a simple, reliable wireless connection regardless of their location.
