PROHA GAINS AN SIGNIFICANT OPENING IN PROJECT MANAGEMENT AND SUPPLY
CHAIN MANAGEMENT CONSULTING IN NORWAY

An associated company of Proha Group, Dovre International As, has concluded a major frame agreement with Norsk Hydro Produksjon Aa. Dovre is selected as Norsk Hydro's 1st priority supplier of consultants and competence within Project Management and Supply Chain Management. The duration of the agreement is 3 years, with an option to extend it up to a total duration of 9 years. Norsk Hydro has 38 000 employees within Oil & Energy, Light Metals and Agri, whereof 16,000 in Norway. The frame agreement will require consultants and services within national and international projects.

"When Norsk Hydro selected Dovre International AS as their 1st priority supplier, we see this as a major confirmation that our current strategies of continuous improvement and to specialize in our core competence have been right", says Arve Jensen, President in Dovre International AS.

"We have to work with leading clients in order to develop our products and services further. Norsk Hydros long term strategy to co-operate with us in a strategically important field like this gives both parties the benefits of developing competence and solving challenges in a professional environment".
