## **EDS acquires Driftbolaget from Framfab**

EDS, the second largest IT-company in the world, has acquired the hosting company Driftbolaget from Framfab. The acquisition is effective immediately.

- We are very happy to take over this well-run company. This is an important addition to the business within EDS within an area where we expand heavily. Driftbolaget runs a business that easily can be integrated in to the business within EDS., says Kaj Green, CEO of EDS Nordic .

Driftbolaget has approx. 120 employees in three offices in Sweden and one in Denmark. The client list counts prominent companies like Volvo, Ikea, BT Ignite and Unilever. Framfab will continue to offer new and existing clients webhosting services from Driftbolaget/EDS.

- Our strong focus on our core business, Internet consulting, will continuously be strengthened by strong partnerships with companies like Driftbolaget and EDS, says Johan Wall, CEO Framfab.
