Enea Signs Major Contract with Leading North American Telecom Equipment Manufacturer

Significant Software License Agreement includes Enea Element, Enea System Manager and Third Party Software

Enea® (Nordic Exchange/Small Cap/ENEA), today announced that it will deliver Enea Element, Enea System Manager and Tail-f System's ConfD to a leading North American telecom equipment manufacturer. The agreement has an estimated value of \$2 MUSD over the project lifecycle and was reached in the third quarter of 2009.

"Our new customer is building one of the most cutting edge IP-based gateway platforms in the industry" said Per Åkerberg, president and CEO, Enea. "It is an honor to be selected by one of the most respected and successful vendors of next generation network equipment to supply the critical software that will preserve the investment in their applications across many generations of future products."

Enea Element, Enea System Manager and Tail-f Systems ConfD are part of the new wave of commercial software solutions that allow communications equipment vendors to leverage the latest industry standards:
