

## Press Release

In response to the press speculation the Board of Capio can confirm that Capio is in advanced negotiations that may or may not lead to Capio making a recommended cash offer for Community Hospital Group Plc (CHG), at a price close to the level of the closing price of 650p per CHG share on Friday 20<sup>th</sup> April. CHG is a UK company involved in the management of independent hospitals and other healthcare services.

A further announcement will be made in due course.
