

## Welcome to the 2nd edition of the National eID & ePassport Conference Athens 21-22 October 2010

PrimeKey Solutions (Sweden), Multicert (Portugal) and Byte Computer (Greece) together with our sponsors Gemalto, AET Europe, Safenet, HP, Comodo, Vlatacom, Utimaco, Appgate, Speed Identity, PWPW, Oberthur, akm software and Commfides cordially invite you to join us for the much awaited follow-up to last year's National eID & ePassport Conference. This year we continue to focus on recent developments in different countries and new major political initiatives both nationally and from the European Commission. **A third topic is added: Mobile PKI.**

The conference, supplemented by interactive mingle and networking activities, will gather together a panel of **top-level government representatives and key players in the ePassport and eID industry.**

Attendees will get insight into the drivers behind the digitalization of citizen ID documents, the usage beyond its initial purpose, the status of deployments all over the World and the evolution of these documents.

Round tables and panel discussions will be the perfect backdrop for highly participative discussions and analysis of the most crucial issues.

Last year we had 230 participants from nearly 20 countries and 4 continents.

We would be honoured to have you as our guest at this prestigious conference.

The National eID & ePassport Conference will be held on the **21<sup>st</sup> and 22<sup>nd</sup> October** at the Divani Caravel Hotel, Athens, Greece. For further information and to register, please visit [www.eid-epass.org](http://www.eid-epass.org).
