*The Second AP Fund is one of five 'buffer funds' within the Swedish national pension system. This means that the Fund is engaged in the management of Sweden's national pension assets, involving a global portfolio of investments. Just over 50 percent of Fund capital is invested in foreign equities and bonds. The Fund manages assets in excess of SEK 200 billion, featuring several asset classes. It numbers just over fifty employees: portfolio managers, analysts and other specialists in various areas.*
