

Neonet expands its DMA offering with Norwegian Equity segment on Nasdaq OMX

Stockholm, Sweden, November 15, 2010 – Neonet, the global agency broker, today announced the addition of direct market access to the Norwegian Equities segment on Nasdaq OMX Stockholm, complementing its wide Direct Market Access offering. The Norwegian Segment on the INET platform offers trading in the 32 most traded equities listed on the Oslo Stock Exchange's regulated market. Trading the new segment is enabled through Neonet's dynamic SOR technology or by directing orders.

"For Neonet, it is fundamental to develop our services by expanding our reach in line with client demand and ahead of competition," said Fredrik Lindqvist, President, Neonet Securities. "With the Norwegian Equity segment on Nasdaq OMX available to our clients, we now offer the widest DMA reach across all Nordic market venues, lit and dark."

Based in the Nordic region, Neonet provides DMA as well as advanced execution services to more than 40 of the leading exchanges and alternative trading facilities worldwide.
