

HIQ AND GTECH EXTEND FRAME AGREEMENT ANOTHER THREE YEARS

HiQ extends its cooperation agreement with leading gaming technology and services company, GTECH Corporation, until the end of 2013. HiQ and GTECH have been working together since 2005 on integrated gaming platform development projects for GTECH's lottery customers.

"We are very pleased to further extend our collaboration agreement with GTECH. This is the third extension since the partnership started in 2005, and we see this as an acknowledgement of the successful relationship we have created. We have enjoyed considerable client demand for our combined services over the past years, and naturally we hope to be able to continue working together with GTECH in the years to come," says Jukka Rautio, Managing Director HiQ Finland.

"We have had a productive partnership with HiQ and this has been very beneficial to both parties. HiQs expertise in the development of interactive gaming systems is well matched with our product and service offerings," says Bob Beauparlant, Vice President International Technology Solutions for GTECH.

HiQ is an IT and management consultancy company focusing on high-tech solutions in the fields of communications, software development and simulation technology. The company is a leading player in these fields and the Nordic region is its domestic market. HiQ employs more than 1,000 people at offices in the Nordic region and Eastern Europe. HiQ is listed on the NASDAQ OMX Stockholm Mid Cap. For more information, please visit www.hiq.se

GTECH is a leading gaming technology and services company. With 7,500 people in over 50 countries when combined with Lottomatica Group, GTECH provides innovative technology, creative content, and superior service delivery to effectively manage and grow today's evolving gaming markets. GTECH is a wholly-owned subsidiary of Lottomatica Group, one of the world's largest commercial lottery operators and a market leader in the Italian gaming industry.
