

## **Boss Media Signs License Agreement With Established Online Casino Operator**

*Vaxjo, Sweden - June 7, 2001*

Boss Media AB has signed an agreement to develop an Internet casino for Universal Village Corporation BVI. The founders of Universal Village Corp. are already established Internet casino operators. The organization has significant experience in generating traffic to gaming-related web sites.

The software for the new Internet casino will be based on Boss Media's acclaimed multi-player software platform. The casino is scheduled to go live on the Internet this summer.

*The Group **Boss Media AB (publ)** is one of the leading providers of turnkey solutions for casino operations on the Internet. Potential licensees are offered a customized client-server system, an integrated payment system and the maintenance and administration services necessary for the daily operation of an Internet casino*
