### Intentia in Spain Signs Its Biggest Contract Ever

**Stockholm, Sweden and Madrid, Spain–Intentia International AB (publ) (XSSE INT:B)** today announces that Intentia in Spain has signed a contract with RENFE, the Spanish railway company. The contract includes the implementation and licensing of Intentia's leading e-collaboration application, Movex-MRO. The total value of the contract is EUR 1 million in licenses and EUR 1.2 million in services.

RENFE is the Spanish railway transport service company for passengers and goods and belongs to the Development Ministry of Spain. RENFE manages more than 12,000 kilometers of railway and 4,700 daily train movements.

RENFE's maintenance unit consists of 45 workshops distributed all over Spain. These workshops perform maintenance operations on more than 1,500 locomotives and 32,000 coaches. Movex will be implemented at RENFE for 435 users.

After reviewing other major international vendors, including Baan and SAP, RENFE decided on Movex due to the application's superior functionality and Intentia's professional approach.
