

Trobalt (*retigabine*) receives European approval

Meda's partner for retigabine, Valeant Pharmaceuticals International, Inc., today announced that the European Commission has granted the marketing authorization for Trobalt™ (*retigabine*) in the epilepsy therapy area.

"This is a milestone for retigabine and our partnership with Valeant", said Anders Lönner, CEO Meda AB.

Valeant has a collaboration agreement with the pharmaceutical company GlaxoSmithKline for the global commercialization of retigabine. Meda is entitled to receive royalties of between 6 - 8 percent on retigabine sales.
