Compensation to the Board of Directors

The Meeting resolved on compensation to the Board for 2011 of in total unchanged 7,312,500 Swedish kronor, which will be divided, in cash and in so-called synthetic shares, as follows: unchanged 1,875,000 Swedish kronor to the Chairman, unchanged 500,000 Swedish kronor to the other nine Members of the Board not employed in the company, and a total of unchanged 937,500 Swedish kronor in cash for work in the committees of the Board.

Further, the Meeting resolved that the Members of the Board shall be entitled to elect to receive 50 per cent of the remuneration before taxes, excluding remuneration for committee work, in the form of synthetic shares. Each synthetic share shall after five years entitle to payment of an amount corresponding to the stock market price of a share of class B in the company at the date of payment. Thus, not more than SEK 3,187,500 of remuneration to the Board shall consist of synthetic shares.

Auditor

The Meeting re-elected the registered auditing company KPMG AB (with the authorized auditor Helene Willberg as the auditor in charge until further notice) as auditor of the company for the period until the end of the Annual General Meeting 2012.

Guidelines for Salary and Other Remuneration

The Meeting approved the Board of Directors' proposal regarding guidelines for salary and other remuneration for the President and other Members of Management Group for 2011. The guidelines substantially accords with what was determined at the Annual General Meeting in 2010.

Long-term Variable Remuneration Program

The Meeting approved the scope and key principles of the long-term variable remuneration program for the Management Group and other employees for 2011, consisting of a Stock Matching Plan and a Performance Share Program.

According to the Stock Matching Plan all employees, who choose to participate in the program, by an own investment in Investor shares or by using shares already held in Investor, for each share that qualifies for participation in the Stock Market Plan ("Participation Share") will receive two options ("Matching Options") and a right to purchase one Investor share ("Matching Share"). The Participation Share may either be a share that the employee already owns or a share which is acquired during a period following the disclosure of Investors first interim report for 2011 as resolved upon by the board of directors ("Measurement Period"). The average volume weighted payment price for the Investor share during the Measurement Period is referred to as the "Participation Price". Allotment occurs after a three-year vesting period. The Matching Share can be acquired for SEK 10 during a four-year period after the vesting period. During the same period, each Matching Option entitles the holder to purchase one Investor share at an exercise price corresponding to 120 per cent of the average volume weighted price of the share of class B during the Measurement Period.

According to the Performance Share Program, Senior Management, after a three-year vesting period, has the right during four years to acquire Investor shares ("Performance Shares") at a price corresponding to the Participation Price. The average annual total return of the Investor share (including reinvested dividends) must exceed the interest on 10-year government bonds with more than 10 percentage points in order for Senior

Management to be entitled to acquire the maximum number of Performance Shares, which supposedly has been allotted to the respective Senior Manager. If the total return does not exceed the 10-years interest on government bonds with at least 2 percentage points, then Senior Management is not entitled to acquire any shares. If the total return is between the 10-years interest on government bonds plus 2 percentage points and the 10-years interest on government bonds plus 10 percentage points, then a proportional (linear) calculation of the number of shares that may be acquired shall be made.

Assuming a Participation Price of SEK 130, the highest number of shares which can be acquired by the employees as a result of the Matching Options will be 310,000. The highest number of Matching Shares that the employees can have the right to acquire, including estimated remuneration for dividends, amounts to 205,000. The highest number of Performance Shares that Senior Management can have the right to acquire, including estimated remuneration for dividends, amounts to 1,110,000. The highest number of shares that can be acquired under the long-term variable remuneration is, in order to maintain the value given above, dependent upon the Participation Price and can thus increase or decrease.

Purchase and Transfer of the Company's Own Shares

The Meeting authorized the Board, for the time until the annual general meeting of 2012, to decide on the purchase and transfer of the company's own shares, in order to give the Board wider freedom of action in their work with the company's capital structure, to enable transfer of own shares under the long-term variable remuneration program, and to secure the costs, including the social security payments, in connection with the said program and with the allocation of synthetic shares as part of the remuneration to the Board of Directors.

The Meeting resolved that transfer of acquired shares in the company shall be possible to holders under the long-term variable remuneration program 2011. A maximum of 2,150,000 shares or the higher number that may follow from a recalculation because of a split, bonus issue or similar action may be transferred.

Nomination Committee

The Meeting approved the proposal for the Nomination Committee. The rules shall apply until a resolution regarding change of the procedure for nominating the Nomination Committee is resolved by the General Meeting.

Shareholder HBK Master Fund L.P.

The Meeting declined the shareholder HBK Master Fund L.P.'s proposal regarding amendment to the articles of association in order to enable voluntary conversion of shares of series A into shares of series B.

Shareholder Daniel Swärd

The Meeting declined all of the shareholder Daniel Swärd's proposals.

Statutory Board Meeting

At the statutory meeting of the Board, held in conjunction with the Meeting, the following Members of the Board were elected to the Remuneration Committee: Jacob Wallenberg (Chairman), O. Griffith Sexton and Lena Treschow Torell. The following Members of the

Board were elected to the Audit Committee: Sune Carlsson (Chairman), Jacob Wallenberg and Peter Wallenberg Jr. The following Members of the Board were elected to the Finance and Risk Committee: Grace Reksten Skaugen (Chairman), Gunnar Brock and Jacob Wallenberg.
