NCC to build container terminal in Finland for SEK 230 million

NCC Puolimatka has been commissioned to build a container terminal in Mussala Harbor, Kotka, in southeast Finland. Work will commence in January 1999 and be completed in June 2001. The terminal will be able to receive vessels as of December 2000.

“This contract consolidates our position in the Finnish civil engineering market and means that employment at our unit in eastern Finland is now secured for the next two and a half years,” says Olavi Knihtilä, Head of NCC Puolimatka’s civil engineering operations. “
