Vattenfall's vision is to be a leading European energy company. The Nordic region, Poland and Germany are its domestic markets. Today, Vattenfall generates power and supplies energy solutions to several million customers in the Nordic region and northern Europe. The largest electricity customers are industrial plants and energy companies. Vattenfall's main products are electricity, heat and natural gas, as well as network, consulting and maintenance services. The Group's net sales in 2001 are calculated to around SEK 70 billion.
