January 29, 1999

Securitas disposes of Network Management Tcpip AB

Securitas has today come to an agreement to sell Network Management Tcpip AB to Investment AB Bure. Network Management Tcpip AB, which has a total turn over of about MSEK 30 and 33 employees, is specialized in education within network and computer communication security.

The disposal is a step in Securitas' continued focus on its core business and will not affect Securitas' result for 1999.

Further information can be obtained from Manager Investor Relations Camilla Weiner, phone +46 8 657 74 00.
