EQT gennemfører salg af Nordic Info Group A/S til Experian

Den 28 januar 2003 gennemførte EQT salget af Nordic Info Group A/S og det datterselskaber for en samlet købesum på ca. DKK 1,1 milliard til Experian.

EQT is a group of private equity funds with equity commitments exceeding EUR 3 billion and is sponsored by Investor AB, the publicly listed holding company of the Wallenberg foundations. EQT Partners, acting as investment advisor to all EQT funds, has offices in Stockholm, Copenhagen, Helsinki and Munich. EQT realises its business concept by acquiring and developing high-quality medium sized companies in Northern Europe. EQT serves as an active owner and works in close co-operation with the management of the companies, to develop and implement value-enhancing strategies.
