## **HiQ signs new framework agreement with Vodafone Sweden**

**HiQ signs a new comprehensive framework agreement for technical consulting services with Vodafone Sweden. The agreement covers services such as systems development, radio planning and project management. The agreement is valid for two years.**

HiQ has worked with Vodafone Sweden since 2000 on the design, planning and development of networks and support systems for GSM and 3G.

"Last year our cooperation with Vodafone Sweden intensified. Our client's high quality requirements are well in keeping with HiQ's specialist expertise in telecoms. We are delighted that such a successful telecoms operator as Vodafone Sweden continues to demonstrate its confidence in us," says Patrik Boman, Managing Director of HiQ Stockholm.

Vodafone Sweden is part of the Vodafone Group, one of the world's biggest mobile networks with a presence in 26 countries on five continents and with 130 million mobile phone users. Vodafone's services make companies' activities more efficient and make it easier and more fun for people to communicate.
