Gambro gets products delivery contract in Kuwait

Stockholm, Sweden - Gambro AB (Stockholm Stock Exchange: GAMBaST, GAMBbST), a leading international medical technology and healthcare company, today announced that it has, together with its partner Advanced Technology Company in Kuwait, been granted a three year supply contract with the Ministry of Health in Kuwait. The contract includes disposable products needed for performing hemodialysis and on-line hemodiafiltration treatments on Gambro equipment in Kuwait. The total contract represents for Gambro a value of about SEK 20 M. For Gambro and Advanced Technology Company this contract represents an important step in the cooperation with the Ministry of Health in Kuwait.
