

# Framfab acquires Springway AB

**Stockholm, November 17, 1999 --- Framfab continues to expand through acquisitions and today announces that it has signed a letter of intent regarding the acquisition of the Internet consultant Springway in Malmö. Springway has nine employees and develops e-business solutions with focus on creating business value. The consideration is paid in Framfab shares.**

“Springway’s approach and culture are in many ways similar to Framfab’s, which is an important part in a successful acquisition. Moreover, Springway provides qualified competence in business development, strategy, e-business and CRM” (customer relationship management), says Jonas Birgersson, CEO of Framfab.

“The merger creates new opportunities for us. Through Framfab we will attain a broad platform for competence exchange in larger client projects and access to a strong brandname”, says Jonas Nilsson, CEO and founder of Springway.

Springway was founded in 1998 and today supports clients such as Panduro Hobby, Upgrade Communication, Färgtema, Sydskraft ServicePartner, Papperskedjan and Svenskt Kulturarv.
