

Lufthansa has chosen SAS Ground Services for ground handling in Scandinavia

Lufthansa has signed an agreement with SAS Ground Services for ground handling in Scandinavia. The agreement covers ground handling services at Copenhagen Airport in Denmark, Oslo Lufthavn Gardermoen, Bergen and Stavanger in Norway, Stockholm-Arlanda and Landvetter-Gothenburg in Sweden.

The agreement entails a renewal of the contract for ground handling during a period of 3 years. This means a total of approximately 12,000 departures per year in Scandinavia.

Lufthansa is SAS Ground Services' biggest customer outside the SAS Group. "We are very pleased that SAS Ground Services' long and good cooperation with Lufthansa will continue", says Mattias Adell, VP SAS Ground Services International.
