

Press release

Nefab changes and strengthens Group Management Team

Nefab has decided to strengthen the Group Management Team concurrent with a number of senior executives being assigned new areas of responsibility. The basic organization structure will be retained.

Frank Hall, who will take over the position as head of the Nordic region, is a new member of the Group Management Team. He holds a MSc in Industrial engineering and Management and is currently president of one of Nefab's subsidiaries. Frank Hall has many years' experience of various management positions within the Nefab Group and other manufacturing companies.

Stefan Ekqvist, currently head of the Nordic region, will become Director of Operations and head of production, technology, IT and sourcing.

David Mörk, currently Director of Operations, will become head of the Asia region and will be based in Shanghai, China.

Ditar Isai, currently head of the Asia region, becomes head of the Central Europe region, based in Budapest, Hungary.

Michael Fuchs, currently head of the Central Europe region, will work with market development matters from Bratislava, Slovakia.

With the above changes, implemented during the period June-August 2006, the Group Management Team at Nefab comprises:

Lars-Åke Rydh, President and CEO, Jönköping.
Anna Stålenbring, Chief Financial Officer, Jönköping
Bo Angelstrand, Director of Sales and Marketing, Jönköping
Stefan Ekqvist, Director of Operations, Jönköping
Frank Hall, President, Head of Nordic Region, Jönköping
Michael Fuchs, Director of Market Development, Bratislava, Slovakia
Daniel Gomez, President, Head of Southern Europe Region, Madrid, Spain
Olivier de Guitaut, President, Head of Western Europe Region, Salbris, France
Ditar Isai, President, Head of Central Europe Region, Budapest, Hungary
Eric Howe, President, Head of North American Region, Peterborough, Canada
David Mörk, President, Head of Asian Region, Shanghai, China

"Nefab is growing internationally, organically and through acquisitions, Through this strengthening of the organization, we gain expanded management capacity, which is required in a growing company. In addition, when skilled managers gain the opportunity to apply their experience in new positions, a drive and development is created that benefits the company," says Lars-Åke Rydh, President of Nefab AB.
