*Scania is one of the world's leading manufacturers of trucks and buses for heavy transport applications, and of industrial and marine engines. With production facilities in Europe and Latin America, Scania is one of the most profitable companies in its sector. Scania products are marketed in about 100 countries worldwide and approximately 96 percent of total production is sold outside Sweden.*

*Scania press releases are available on the Internet, [www.scania.com](http://www.scania.com)*
