

Ericsson announces changes in executive management

Ericsson has today announced changes in the executive management.

Per-Arne Sandström, currently Head of Business Unit GSM-systems, is appointed Executive Vice President, Head of Market Area North America and member of the Corporate Executive Team. He will replace Bo Dimert.

Bo Dimert will leave his position as per March 1, 2000 to serve as Senior Advisor to Corporate management and support transition to his successor.

Bo Bergström, currently Head of Product Unit Base Transceiver Stations GSM, is appointed Head of Business Unit GSM-systems from March 1, 2000.

Ericsson is the leading provider in the new telecoms world, with communications solutions that combine telecom and datacom technologies with freedom of mobility for the user. With more than 100,000 employees in 140 countries, Ericsson simplifies communications for its customers – network operators, service providers, enterprises and consumers – the world over.
