## **Framfab selected IKANO's preferred partner for Internet services**

**Stockholm, Sweden, February 18, 2000 – IKANO and Framfab today announced a strategic cooperation. The first Internet services that result from this cooperation will be announced and launched later in the year.**

“I’m overjoyed to be able to announce this partnership. I have been an avid fan of Ingvar Kamprad’s creations IKEA and IKANO all my professional life. It is a great responsibility as well as an honor to be given this trust”, said Jonas Birgersson, CEO Framfab.

Said Jens Nordahl, Managing Director IKANO B.V, “We have been following Framfab for more than a year and are pleased to be associated with what we consider the leading Internet professional services company”.
