

The Nordic Exchange welcomes Termoregulator Holding to First North in Sweden

Trading in Termoregulator Holding shares will commence today on First North in Sweden. Including Termoregulator Holding, First North now comprises 69 companies in Sweden and Denmark.

Termoregulator Holding AB is a company specialized in manufacturing and assembly of sheet metal parts. The company manufactures a range from sheet metal parts or sub-assemblies to complete and tested products for the end customer. Termoregulator Holding started as a family business in 1947 with the manufacturing of central heating furnace regulators.

“We warmly welcome Termoregulator Holding to First North. Termoregulator Holding is a valuable contribution to our Materials sector and the thirty-fourth company to join First North this year”, says Jenny Rosberg, President of Company Services.

Mangold Fondkommission AB is Certified Adviser for Termoregulator Holding. A round lot of shares in Termoregulator Holding, whose short name is TERM, amounts to 1000 and the company is included in the Materials sector.
