## NCC to remodel Shell office in Risavika in Norway

**NCC Construction AS in Norway has entered into a partnership agreement with AS Norske Shell, valued at about SEK 175 million, for remodeling and extending the company's head office in Risavika in the Municipality of Sola.**

Work will proceed in stages, commencing immediately after Easter 2007. The entire building will be completed for occupation at the end of August 2008.

A new 5,000 m<sup>2</sup> office wing is to be constructed and two office blocks of a total area of 7,500 m<sup>2</sup> are to be renovated.

NCC Partnering is a structured form of cooperation in the construction industry. The client, consultants and contractors jointly solve the construction assignment based on a cooperation characterized by openness, trust and respect and within which the professional skills of all of the partners complement each other in all stages of the project.
