

PRESS RELEASE 2007-02-12

Bertil Dihn  appointed as new MD for Ringhals

The Ringhals Board today appointed Bertil Dihn  as the new Managing Director of Ringhals AB. Bertil Dihn  is currently the Managing Director of Vattenfall Br nsle AB - a company that manages the procurement of fuel for Vattenfall's nuclear power stations.

Bertil Dihn  holds a degree in electronic engineering and has a solid background and many years of experience in the nuclear power industry. He previously worked at Ringhals from 1981 to 1999, where he held the posts of Maintenance Manager and Production Manager. When he left Ringhals for Vattenfall Br nsle he was also Deputy Managing Director.

Bertil Dihn  will take up his new post on 1 March.
