## 'Solid foundation laid for future growth'

"2006 was the year in which Unibet became fully established as one of Europe's leading online gaming companies. In order to ensure continued success and growth during 2007, we chose, last Autumn, to consolidate our poker platform and upgrade other important functions within the company. We believe this will give us a competitive advantage over our pan-European competitors in the coming year."

"The European online gaming market is expected to grow by about 20-30 per cent during the coming year and our ambition is to grow at least at the same pace," says Petter Nylander, CEO of Unibet.

Today, Wednesday 14 February 2007, Unibet's CEO Petter Nylander will host a presentation in English at FinancialHearings, Operaterrassen in Stockholm at 8.30 CET. Please go to <u>www.financialhearings.com</u> to sign in.

#### Significant events during the fourth quarter of 2006

On 10 October 2006, Unibet was awarded the prestigious "European Sportsbook of the year 2006" by the international magazine Egaming Review. This award rewards "the European operator who has won the battle for customers in the highly competitive European sport betting market."

On 17 October 2006, a Court Meeting and an EGM were held to approve a "Scheme of Arrangement" and the new Company structure, and the Scheme was formally sanctioned by the UK courts on 25 October 2006. The Scheme became effective on 1 November 2006 and SDRs in the new Maltabased Unibet Group plc were listed on Stockholmsbörsen's Nordic List.

At an EGM on 11 December 2006, shareholders approved the resolutions relating to reduction and transfer from share premium account following the "Scheme of Arrangement". The shareholders also approved a share/SDR buy back authority for Board of Directors.

On 15 December 2006, the International Cycling Union, UCI, provided the Unibet Cycling team with a Pro Tour-licence for four years and the assurance to participate in all the major races.

## Significant events after the period end

On 8 January 2007, the qualification for spring season programmes of Swedish TV format Pokermiljonen started on <u>www.unibet.com</u>. More information about Pokermiljonen can be found on <u>www.unibet.com/pokermiljonen</u>.

On 6 February 2007, Unibet Cycling team won d'Ouverture de Marseillaise in France which is the opening of the European cycling season 2007.

#### Legal

In October 2006, the European Commission opened new formal infringement proceedings against 3 Member States, once more underlining the fundamental freedom to provide and promote gaming and betting services throughout the European Union. Certain Member States, including Sweden, Italy and Belgium, have adopted a more non-discriminatory attitude towards private operators. Following a recent increase in legal actions by the French monopoly, Unibet, being the market leader in France, cannot rule out being part of a police investigation in relation to its licensed activities. Unibet believes, however, that actions taken by the French authorities contravene European law, as already interpreted by the European Court of Justice, and will challenge such actions.

#### Market

Unibet is a market-leader in Moneytainment, operating in 20 different languages in more than 100 countries.

Gambling can be divided into games of skill (Sports betting, Horse racing, Poker, etc.) and games of chance (Roulette, Black Jack, Slot machines, Lotto, etc.) The gambling market can also be divided into online (Internet) and offline (betting shops, casinos) gambling. Online gambling is now regarded as one of the most important Internet businesses. Besides sports betting, which has enjoyed first mover advantage in the online arena and been the driver of online gambling, other areas such as casino games, poker and lotteries have grown rapidly in recent years.

# **Current products**

# Sports betting

Unibet's sports betting service offers a comprehensive range of odds on a variety of international and local sports events, to a worldwide customer base 24 hours a day, 7 days a week. Bets are placed via Unibet's site or via mobile phone.

The live betting offer has substantially increased during the year. During the fourth quarter over 900 events were offered. Besides ice hockey and handball, volleyball, rugby and the Swedish TV programme Idol caused a lot of interest.

The majority of Unibet's business is largely determined by the seasons for key sports such as the major football leagues in Europe, major golf and tennis tournaments as well as ice hockey leagues in the Nordic countries and North America. The seasonality of these events results in fluctuations in the Group's quarterly performance, especially in terms of Gross Turnover. However, quarterly results can also vary widely, due to the volatility of gross winnings margins in sports betting. Please refer to page 4.

#### Non-sports betting

Unibet's non-sports betting consists of casino products, games, bingo and poker.

Unibet Casino consists of more than 40 games such as Roulette, Black Jack, Caribbean Stud, Video Slots and Video Poker. Unibet Casino successfully launched two popular Video Slots, 'Spellcast' and 'Vikings Treasure', in November. This, combined with a wide variety of regular promotions and tournaments meant that the Casino had its best quarter to date in terms of profit, unique users and turnover.

Unibet Games consist of sport-orientated and entertainment flash games. The games are a softer version of the casino and are derived from the popularity of lottery- and keno-based games, virtual sports and high/low games. The sport games include Virtual Horse Racing, Paddock, HiLo Goal,

Goalkeeper Champion and Boxing Champion; the entertainment games include Triple Chance HiLo, Aces High, HiLo Extreme, Spin Win, Squares, Roll'em, Poker Dice, Risk It and Keno. Unibet currently has 14 online games. Unibet Games had its best quarter to date in terms of profit and unique users.

Unibet Bingo offers the 75-ball type multiplayer Bingo together with a range of casino games attached to it.

During the fourth quarter 2006, Unibet had over 84,000 (62,000) active poker customers. In September 2006, Unibet launched a redesigned poker lobby and a new poker client with one of the best poker tournament offerings in the world. There was significant activity around the migration to help poker players to create a poker alias and get used to the new poker software.

The new season of Pokermiljonen started to run in early October. In total over 1.4 million viewers (17 per cent of the Swedish population) watched the fourth season of Pokermiljonen.

#### **Financial review**

The financial information has been presented in accordance with International Financial Reporting Standards as adopted by the European Union, and the accounting policies remain unchanged from the last published results for the year ended 31 December 2005.

With effect from 19 August 2005, MrBookmaker Group (Global Leisure Partners Ltd and its subsidiaries) is consolidated in Unibet's results.

During the fourth quarter, as describe on page 2, the Scheme of Arrangement and reorganisation of the Group structure was completed, resulting in the creation of an Other reserve.

#### **Gross Winnings Revenue**

Gross winnings revenue on sports betting represents the net receipt of bets and payouts within the consolidated entity for the financial period. Gross winnings revenue for sports betting amounted to GBP 6.9 (6.0) million for the fourth quarter of 2006. For the full year 2006, gross winnings revenue for sports betting amounted to GBP 25.9 (17.4) million.
