The Nordic Exchange welcomes IT InterGroup to First North

The trading of IT InterGroup's shares commence today at First North in Denmark. Including IT InterGroup First North now comprises 117 companies.

IT InterGroup, which is a Danish consultancy company, was founded in 2000 and is one of the leading companies within electronic security management in Europe. IT InterGroup's key competences are Enterprise system management, Identity management and Access management.

Amongst other things IT InterGroup works with clients' Help Desks in order to make these unnecessary through a solution based on the self-service password solution FastPass. Through this the client can reduce costs and make the time of their employees more efficient. IT InterGroup has their main office in Lyngby and a development center in Bangladesh.

"We are happy to welcome IT InterGroup to First North. The company will be registered in the Information Technology sector - a sector which is very strong on First North with 29 companies," says Carsten Borring, Head of First North Copenhagen.

A round lot of shares in IT InterGroup, whose short name is ITIGRP, amounts to 1000. The company is included in the Information Technology sector.
