## **Fischer Partners Market Maker for Euroseek Shares**

## Today the Euroseek shares will start trading on the FIP Marketplace in Stockholm, with Fischer Partners (FIP) as market maker.

One of Fischer Partners' key strategic areas is the IT/Telecom industry and they have strong international investor contacts. This matches Euroseek's pan-European focus as well as the international spread of Euroseek's more than 600 existing shareholders.

"Euroseek wants to maintain a good liquidity in the Company's shares for the benefit of existing shareholders and new investors. Fischer Partners will be a well-suited market maker for the Euroseek shares," says Catherine Sahlgren, CEO of Euroseek.
