Stockholm 2000-08-28

Thalamus Networks will be listed on the O-list

The B-shares of Thalamus Networks AB (plc) will be listed on the O-list of the OM Stockholm Stock Exchange as from September 4, 2000.

The company has been listed on the New Market ("Nya Marknaden") of the OM Stockholm Stock Exchange since July 6, 2000.

The listing particulars, which has been established on account of the listing, will be available at Thalamus Networks AB and at the company's homepage, www.thalamus.se, on August 30, 2000.

Facts

Thalamus Networks AB (www.thalamus.se) is an independent player in the rapidly growing field of broadband. The Company offers the market's most extensive broadband service called Thalamus®. It includes Internet access that meets the requirements of the regular surfer as well as the most advanced remote access worker. At the same time Thalamus Networks is the only company that can meet the landlords' needs for energy management, information, media and telephony. Thalamus® is delivered over optical fibre, cable-TV and Ethernet (LAN), and in a near future also over wireless solutions. Thalamus Networks AB are currently in a strong phase of expansion, and today has offices in Ängelholm, Malmö, Halmstad, Göteborg and Stockholm. The Company has provided services to Sweden's landlords since the start in 1987.

Thalamus Networks AB's net sales are approximately SEK 40 million and the company employs 37 persons.
