

Invitation to Press Conference

2000-09-03

ABB, Deutsche Telekom and Utfors apply for UMTS license in Sweden

- *High-speed mobile multimedia communications available to more than 99% of Sweden's population within three years*
- *More than 1,000 new jobs throughout the country*
- *Complementary experiences in UMTS development, financing and executing large infrastructure projects and creating innovative services*

More details about Mobility4Sweden's license application will be available at a press conference on Monday, September 4, 2000 in Stockholm.

The press conference, at the Grand Hotel, Stockholm, at 09.00 AM, will feature presentations by Göran Lindahl, President and CEO of ABB Ltd.; Sven-Christer Nilsson, Chairman of Utfors; and Kai-Uwe Ricke, CEO of T-Mobile International

The press conference will be broadcast on the Internet at www.mobility4sweden.com, beginning at approximately 09.15 AM.
