

**Press release from Getinge Industrier
Getinge, September 4, 2000**

Micael Hedlund, new Vice President of the Hygiene Systems product line

Getinge today announced that Micael Hedlund, has been appointed new Vice President of the Hygiene Systems product line as from 1 September. He will also be a member of the group's executive management team.

Micael Hedlund has held various positions within the ABB group of companies. In his most recent employment Micael Hedlund was President of Tetra Pak Parts.

“We are happy to have Micael Hedlund appointed new Vice President of the Hygiene Systems product line”, says Johan Malmquist, President and CEO of Getinge. “His extensive experience and proven track record will be an enforcement to the product line and to the management team”.
