

**TietoEnator's ownership in Entra after extended acceptance period**

After the expiration of the extended period for TietoEnator Corporation's (TietoEnator) public offer to the shareholders in Entra AB (publ) (Entra) and after conversion of TietoEnator's B-shares to A-shares, TietoEnator holds 96.6 percent of the share capital and votes in Entra.

Shares in TietoEnator will be delivered to those who have accepted the offer during the extended acceptance period on or about September 20, 2000.

The Board of Directors of Entra will request for delisting of the Entra share from the O-list on the OM Stockholm Exchange as from September 18, 2000. The last day of trading will consequently be Friday September 15, 2000.

The Board of Directors of TietoEnator has decided to call for compulsory acquisition of outstanding shares of the minority shareholders in Entra.
