## **KEY EXECUTIVES INCREASE NOVESTRA HOLDINGS**

Thomas Åkerman, President and CEO, Nils Bengtsson, Vice President and CFO and Göran Strandberg, Executive Director, have acquired a total of 140 000 Novestra shares from the main owners, Theodor Dalenson and Lennart Tengroth. The transaction has been made after consultations with Alfred Berg Fondkommission.

"Messrs Åkerman, Bengtsson and Strandberg have expressed an interest to increase their engagement in the company and through this direct transfer, which does not represent more than 3 per cent of our respective holdings, we could accommodate their interest in a timely manner," says Theodor Dalenson and Lennart Tengroth.
