Change of date and venue

Getinge Investors Day

We will change date and venue of our annual Investors Day for analysts, investors and journalists. New date is 30th January 2001 and the event will take place at the Surgical Academy of our newly acquired company MAQUET in Rastatt (airport Frankfurt).

This will be a solid opportunity for us to give you an update on Getinge's progress year to date, as well as to present the product base for our new business area Surgical Systems.

We will be in a position to give you a thorough review of our efforts to invest in the future. Special focus will be on new business development and strategic products for the surgical systems market.

Program and invitation form will be sent to you in the next few weeks.

We look forward to seeing you.
