Telelogic has recieved its largest license order ever

MALMÖ, Sweden December 1, 2000 — Telelogic AB Has recieved a multi million deal of DOORS licenses from a leading American communication company. The order mainly includes licenses, but also a smaller part sevicees and maintenance. The customer will use DOORS, Telelogic's market leading system for requirement management, in a number of development projects within the company.

“Our requirement management systems are state-of-the-art and this deal is a good example of our succesfull acquisition strategy.“, says Anders Lidbeck, President and CEO for Telelogic.

About Telelogic

Telelogic is established in thirteen countries under its own name, and a further 20 countries through distributors. It leads the market in development environments for advanced software, especially in real-time applications. By offering high quality graphical development tools and related services, Telelogic makes the development of software more rapid, less labor intensive, and more reliable.

The company has a global client base, including all the top 10 communication suppliers such as Alcatel, Cisco, Ericsson, Fujitsu, Hewlett-Packard, Lucent, Motorola, NEC, Nokia, Nortel Networks and Siemens, as well as a number of leading suppliers within automotive and aerospace.

The software market is moving towards more visual programming methods, and Telelogic leads in the production of the next generation of development tools, in this area. Telelogic is well prepared to deliver rapid and complete solutions for the complex challenges faced by the real-time industry.
