

Swedish Employers' Confederation Federation of Swedish Industries

PRESS RELEASE

14 December 2000

Welcome to...

www.eu2001.swedishenterprise.se

A new website is now available which provides information about the priorities of the Swedish business community during Sweden's presidency of the European Union.

On the site you will be able to read more about the following priorities: the single market, free trade, EMU, competition, deregulation, the labour market, knowledge investment and infrastructure. Furthermore, you can become more acquainted with these priorities by sampling everyday life at our fictional companies Pizzeria Enzo, Orange Import and Private Air.

The website will provide you with up-to-date and relevant press information, monthly reports on EU matters, publications, speeches, articles etc. Our calendar will highlight the most important forthcoming events arranged by the Swedish business community during Sweden's EU presidency.

You will also find several useful contacts, such as experts on various issues and media contacts.

The website has been created in cooperation between the Swedish Employers' Confederation (SAF) and the Federation of Swedish Industries.

More information can be obtained from:
