**Göteborg 13-12-2000**

## **The letter of intent signed with Strålfors on 22-12-1999 has not led to a licence agreement.**

In December 1999, Fingerprint Cards and Strålfors AB signed a letter of intent to the effect that the parties would be negotiating with a view to a licence agreement entitling Strålfors to utilize Fingerprint technology in its products.

Fingerprint wishes to place on record that no licence agreement has been signed.
