

## **Verdandi selects SYSTEM10 from Entra as treasury solution**

The insurance company Verdandi Group in Turku, Finland, has installed SYSTEM10 from Entra as their treasury system. Entra provides a complete treasury solution covering trading in the Foreign Exchange, Equity and Money Markets. The Equity Module, which is launched with the installation at the Verdandi Group, has been developed by Entra in accordance with Verdandis requirements.

- The SYSTEM10 treasury solution from Entra is unique in its thorough coverage of all types of trades in the market, from Equity to Exotic Money Market derivatives. The implementation of the new system has been handled professionally and above all on time according to a very tight schedule", says Jukka Sjösten, Investment Manager at Verdandi Life Insurance.

The treasury solution SYSTEM10 is provided by Entra System10 in Malmö, an organisation with specialists in both financial and technical areas. Commitment and long-term relationships with the Customers and Suppliers have provided Entra with extensive experience in these areas.

"With the installation of SYSTEM10 at Verdandi Entra further strengthens its position on the Nordic market and for the first time installs the newly developed Equity Module for a customer in the insurance sector." says Mats Kornö, Managing Director of Entra System10.
