

Håkan Gunnarsson new CFO of Bong

Håkan Gunnarsson has been appointed new CFO of Bong AB.

Håkan Gunnarsson is 43 years old and has worked for the Bong group since 1999. Most recently, he has been the business unit controller for the Nordics and Russia as well as controller for ProPac – Bong's growth area within specialty packaging. Håkan will be a member of Bong's group leadership team and will take his new position immediately.

At the same time, we also want to wish our departing CFO, Ulf Zenk, every success in his new role at Lantmännen and thank him for his excellent and valuable contributions to the company over the years. Ulf will remain in Bong for a period of time to finish certain tasks and secure a good handover.
