

# Duroc corrects updated financial calendar

**Stockholm 16 July 2017. Duroc AB (ticker: DURC) today corrected its updated financial calendar.**

By mistake in Duroc's press release 13<sup>th</sup> July about new financial calendar, the reporting periods were wrongly presented. The dates for the reports are correct but the periods are as stated below.

*As previously announced, Duroc's EGM on 15 June, 2017, decided to amend the Articles of Association so that the fiscal year changes from calendar year to July 1st - June 30<sup>th</sup>. The change meant that the 2017 fiscal year ended 30 June, 2017 and as previously announced, Duroc's Year-End Report for 2017 will be published 28 August.*

## **New financial calendar**

<b>Year-End Report 2017</b>	<b>28 August, 2017</b>
<b>AGM 2017</b>	<b>26 October, 2017</b>
<b>Interim report, July – September</b>	<b>7 November, 2017</b>
<b>Interim report, July – December</b>	<b>9 February, 2018</b>
<b>Interim report, July – March</b>	<b>7 May, 2018</b>
<b>Year-End report 2017/2018</b>	<b>27 August, 2018</b>

*The background to the change in fiscal year is that in February 2017, the company acquired the International Fibers Group Group (IFG), with July 1st - June 30<sup>th</sup> as fiscal year. Since it is expedient that all companies in Duroc have the same fiscal year, and taking into account the size of IFG in relation to the previous Duroc Group, it was considered appropriate to change the entire Group's fiscal year from calendar year to July 1st - June 30<sup>th</sup>.*
