Paul Bari appointed Group CIO and Head of Group Technology

From 1 April 2018, Paul Bari is appointed Group CIO and Head of Group Technology of Nordea. Paul joined Nordea in February 2017 from a position as Global Head of Technology Delivery at Standard Chartered Bank, Singapore. Paul has had several executive positions at Standard Chartered Bank, Barclays Capital and Commonwealth Bank of Australia.

In his different roles Paul has led global technology teams, been responsible for core technology business efficiency programmes, engaged with regulatory authorities and chaired numerous risk committees. Paul will report to Torsten Hagen Jørgensen, Deputy CEO and Head of Group Corporate Centre, and be part of the Group COO Executive Management team.

- After some months as acting head of Group Technology, Paul has proven himself to be the best person for this job. Paul has extensive experience of IT, service and vendor management and operational and delivery roles in global financial services. With Paul in the lead I am sure we will see state-of-the-art technical solutions delivered to customers and colleagues, says Torsten Hagen Jørgensen, Deputy CEO and Head of Group Corporate Centre.
